Zad. 1. "Saturday Bike Adventure"

Tom: Hey, Robert! Are you ready for our bike trip this Saturday?

Robert: Absolutely, Tom! I've been looking forward to it all week. Have you checked the weather forecast?

Tom: Yeah, I did. Looks like it'll be sunny with a gentle breeze. Perfect biking weather!

Robert: Awesome! Did you pack everything? Water bottle, sunscreen, and a spare tube?

Tom: Yep, got 'em all. Plus, I threw in some energy bars in case we get hungry along the way.

Robert: Smart move! And don't forget your helmet. Safety first, right?

Tom: Of course! Safety is key. How about you? Did you oil your bike chain?

Robert: Yep, gave it a good lubing yesterday. And I adjusted the saddle height too. Can't have sore knees during the ride!

Tom: Great! We'll meet at the park entrance at 9 AM sharp. Ready to explore some new trails?

Robert: Absolutely, Tom. Let's pedal our way to adventure!

Zad. 3.

When riding a bike, it's important to prioritize safety. Always wear a helmet to protect your head and bright clothes so drivers can see you easily. Look both ways before crossing the street and keep both hands on the handlebars for better control. Use hand signals to show where you're going, avoid using headphones, and check your brakes before heading out. Stay on the right side of the road, obey traffic lights and signs. Safety first!
